

TESOL MA – Two Year Cycle of Course Offerings

Individual Streams of Study

Theoretical Applications

- 21023432 Introduction to Linguistics*
- 21023723 Second Language Learning Theories*
- 21023382 Developing Bilingualism**
- 21023434 Human Learning and Cognition**
- 21023432 Sociolinguistics in Language Teaching**

Language Teaching Methodology

- 21023302 Approaches to English Grammar*
- 21023430 Teaching Writing*
- 21023431 Teaching Reading*
- 21023438 Discourse Analysis (Teaching the Spoken Language)*

Evaluation and Materials Development

- 21023429 Curricula and Materials Development*
- 21023440 Principles of Language Testing*
- 21023435 Language in Context**
- 21023433 Current Issues in EFL/ESL*
- 21023436 English for Specific Purposes**
- 21101447 Research Methodology**

Young Learners

- 21100456 Creativity and Humanism in TESOL**
- 21101806 Child Psychology*
- 21023724 Techniques in Working with 12s and Under*
- 21253815 Special Needs in ELT Classroom**

CALL

- 21024306 Internet Based Language Teaching*
- 21023618 Digital Gaming and Teaching and Learning (Creating Multimedia for Learning)**
- 2110185 Introduction to Corpus Linguistics*
- 21101448 Theoretical Foundations of CALL**
- 21023619 Computer-Mediated Communication in Language Education*

Non-Electives

- 21023485 Practicum I
- 21023486 Practicum II

*This is considered a more basic course

*This is considered a more advanced course

Two Year Plan

1A

Introduction to Linguistics*
Discourse Analysis*
Principles of Language Testing*
Sociolinguistics in Language Teaching**
Internet Based Language Teaching*
Special Needs in ELT Classroom**
Research Methodology**
Practicum I & Practicum II

1B

Techniques in Working with 12s and Under*
Current Issues in EFL/ESL*
Teaching Writing*
Theoretical Foundations of CALL**
Teaching Reading*
Human Learning and Cognition**
Research Methodology**
Practicum I & Practicum II

2A

Language in Context**
Child Psychology*
English for Specific Purposes*
Computer-Mediated Communication in Language Education**
Developing Bilingualism**
Approaches to English Grammar*
Research Methodology**
Practicum I & Practicum II

2B

Creativity and Humanism in TESOL**
Curricula and Materials Development*
Digital Gaming and Teaching and Learning (Creating Multimedia for Learning)**
Teaching Reading*
Second Language Learning Theories*
Introduction to Corpus Linguistics*
Research Methodology**
Practicum I & Practicum II

Individual Professor's Teaching Plans

Dr. Kang's Teaching Plan

1A
Special Needs in ELT Classroom
Research Methodology
1B
Techniques in Working with 12s and Under
Current Issues in EFL/ESL
2A
Language in Context
Child Psychology
2B
Creativity and Humanity in TESOL
Curricula and Materials Development

Dr. McNeil's Teaching Plan

1A
Internet Based Language Teaching
Sociolinguistics in Language Teaching
1B
Theoretical Foundations of CALL
Teaching Reading
2A
Computer-Mediated Language Education in Learning
Communication
Research Methodology
2B
Digital Gaming and Teaching and Learning (Creating
Multimedia for Learning)
Teaching Reading

Dr. Rozell's Teaching Plan

1A
Principles of Language Testing
Practicum I & Practicum II
1B
Teaching Writing
Practicum I & Practicum II
2A
English for Specific Purposes
Practicum I & Practicum II
2B
Research Methodology
Practicum I & Practicum II

Dr. van Vlack's Teaching Plan

1A
Introduction to Linguistics
Discourse Analysis (Teaching Spoken Language)
1B
Human Learning and Cognition
Research Methodology
2A
Developing Bilingualism
Approaches to English Grammar
2B
Second Language Learning Theories
Introduction to Corpus Linguistics
